2. Creating Your Account

- a) Visit '<https://academi-slug.herokuapp.com>' and select 'Sign Up'
b) Input Google credentials:

- Google Email = <your_UCSC_Login>@ucsc.edu
- Google Password = <UCSC_Blue_Passsword>

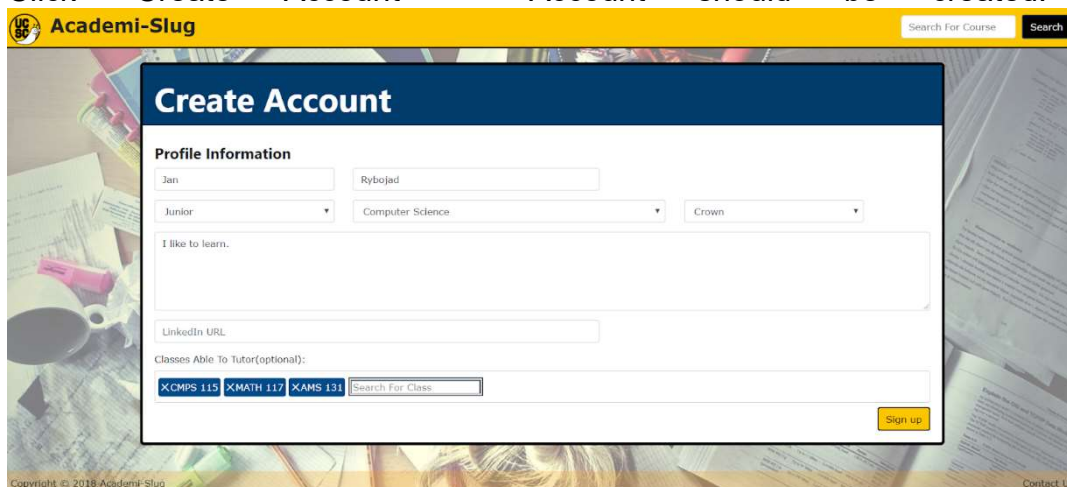

The screenshot shows a Google login window titled "Zaloguj się przez Google". The main heading is "Zaloguj się" with a subtext "Przejdź do aplikacji academi-slug.herokuapp.com". Below this is a text input field for the email address, which contains "jrybojad" followed by "@ucsc.edu". A link "Nie pamiętasz adresu?" is present. A paragraph of text explains that Google will use the account to log into the application and that users can manage their account settings in the application. At the bottom, there are two buttons: "Utwórz konto" and "Dalej".

- c) Input profile information:

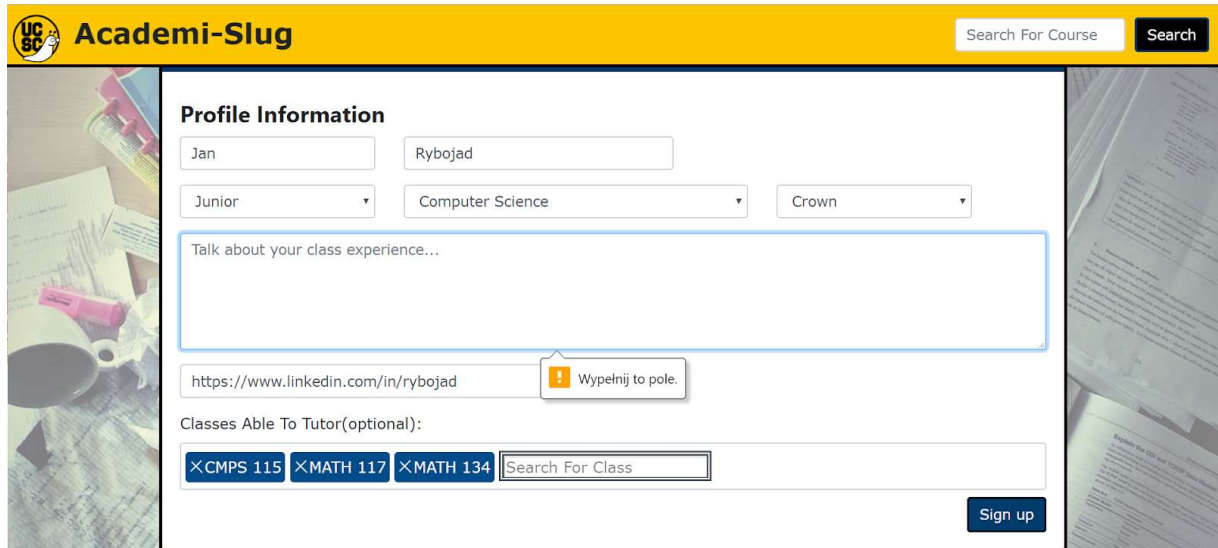

- Year = 'Senior'
- College = 'Cowell'
- Major = 'Computer Science'
- Bio = 'Slow and steady wins the race!'
- LinkedIn URL (Optional)
- Classes Tutoring = 'CMPS 115', 'AMS 131', 'MATH 117'

- d) Click 'Create Account' ~ Account should be created.

The screenshot shows the "Create Account" form on the Academi-Slug website. The form is titled "Create Account" and has a "Profile Information" section. It includes input fields for "Name" (containing "Jan"), "Email" (containing "Rybojad"), "Year" (a dropdown menu with "Junior" selected), "Major" (a dropdown menu with "Computer Science" selected), and "College" (a dropdown menu with "Crown" selected). There is a text area for "I like to learn." and a text input field for "LinkedIn URL". Below these is a section for "Classes Able To Tutor(optional):" with three buttons labeled "CMPS 115", "MATH 117", and "AMS 131", followed by a "Search For Class:" input field. A "Sign up" button is located at the bottom right of the form. The website header includes the "Academi-Slug" logo and a "Search For Course" bar.

- e) If the user fails to fill out all the fields, the website will not proceed and ask the user to fill the missing fields.
- f) The user is then given an option to delete their account using 'Delete Account' button. Such action removes them from our database of users,

The screenshot shows the 'Academi-Slug' profile page. The header is yellow with the UCSC logo and the text 'Academi-Slug'. On the right of the header is a search bar with the text 'Search For Course' and a 'Search' button. The main content area is titled 'Profile Information'. It contains several input fields: 'Jan' (text), 'Rybojad' (text), 'Junior' (dropdown), 'Computer Science' (dropdown), and 'Crown' (dropdown). Below these is a large text area with the placeholder 'Talk about your class experience...'. Underneath is a URL field containing 'https://www.linkedin.com/in/rybojad', which has a tooltip that says 'Wypełnij to pole.' (Fill in this field). Below the URL field is a section titled 'Classes Able To Tutor(optional):' with three buttons labeled 'CMPS 115', 'MATH 117', and 'MATH 134', followed by a 'Search For Class' input field. A 'Sign up' button is located at the bottom right of the form.

and they will no longer be shown on the list of tutors offering to teach a particular course.

3. Managing classes I want to tutor

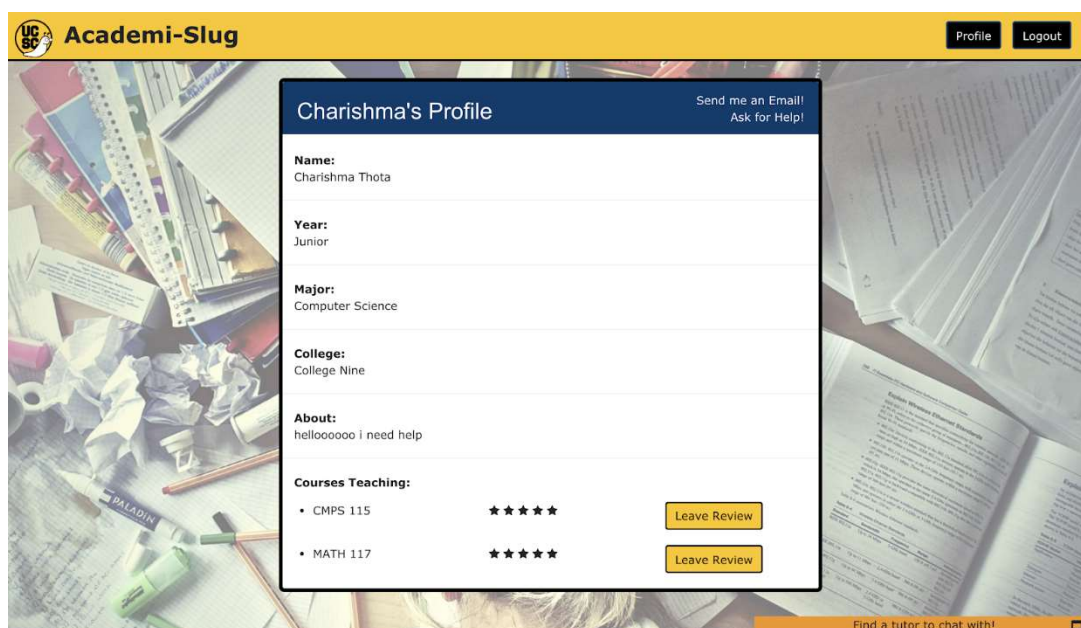

- a) Log in or Sign Up using buttons provided in the navigation bar
- b) Click on the Logo icon in the top-left corner to get to the main page, while logged.
- c) Click on 'Profile' button in the right part of the top navigation bar.
- d) You can add classes by typing in the bar under 'Classes currently teaching' and delete them using X mark by the class name.

The screenshot shows the 'Your Profile' page on the 'Academi-Slug' website. The page has a yellow header with the 'Academi-Slug' logo and a search bar. The main content area is titled 'Your Profile' and contains several input fields: 'Jan', 'Rybojad', 'Junior', 'Computer Science', 'Crown', 'I like', and 'LinkedIn URL'. Below these fields is a section titled 'Classes Currently Tutoring:' which shows two buttons: 'KCMPS 111' and 'MATH 101', followed by an 'Add Another Course' button. At the bottom right of the profile section are two buttons: 'Update Profile' and 'Delete Profile'.

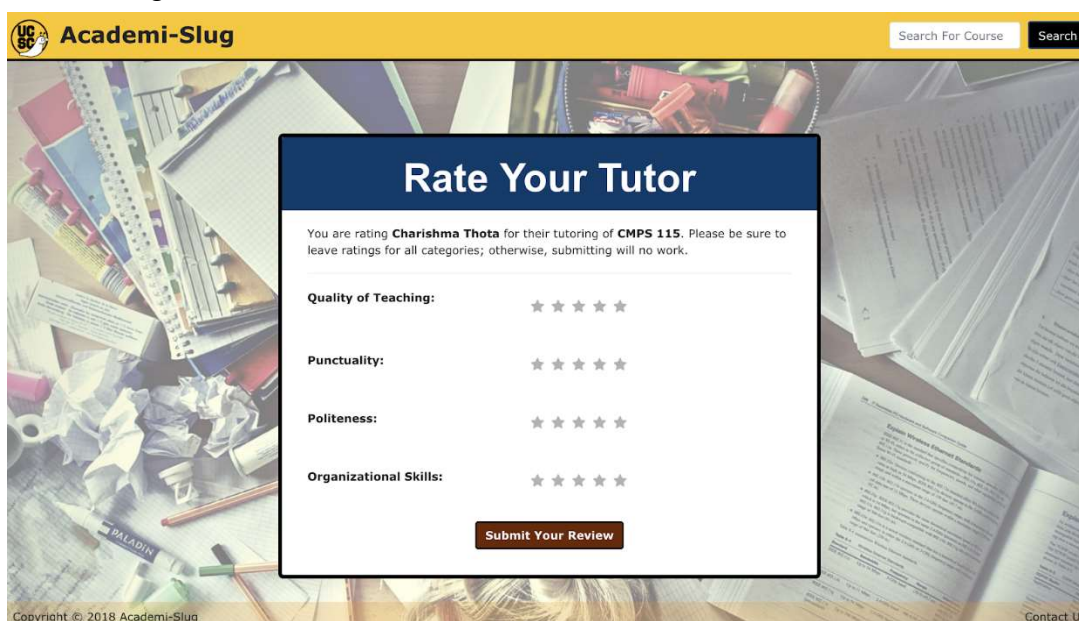

- e) After you have finished editing, click on 'Update Profile' button to save changes. That will redirect you to the main page.

4. Leaving Reviews to Tutors

- Log in to your Academi-Slug account (otherwise you will not be able to leave your review).
- Search up the class you were tutored for.
- Click on the tutor's name.
- Towards the end, there will be a "Leave A Review Button" that you can click on.

- This will prompt a page that allows you to rate the tutor out of 5 stars in categories like Quality of Teaching, Punctuality, Politeness, and Organizational Skills.

- To leave review, you need to make a rating in each category. Only then will the 'Submit Your Review' button become active.

Rate Your Tutor

You are rating **Timothy Nguyen** for their tutoring of **CMPS 115**. Please be sure to leave ratings for all categories; otherwise, submitting will no work.

Quality of Teaching: ★ ★ ★ ★ ★

Punctuality: ★ ★ ★ ★ ★

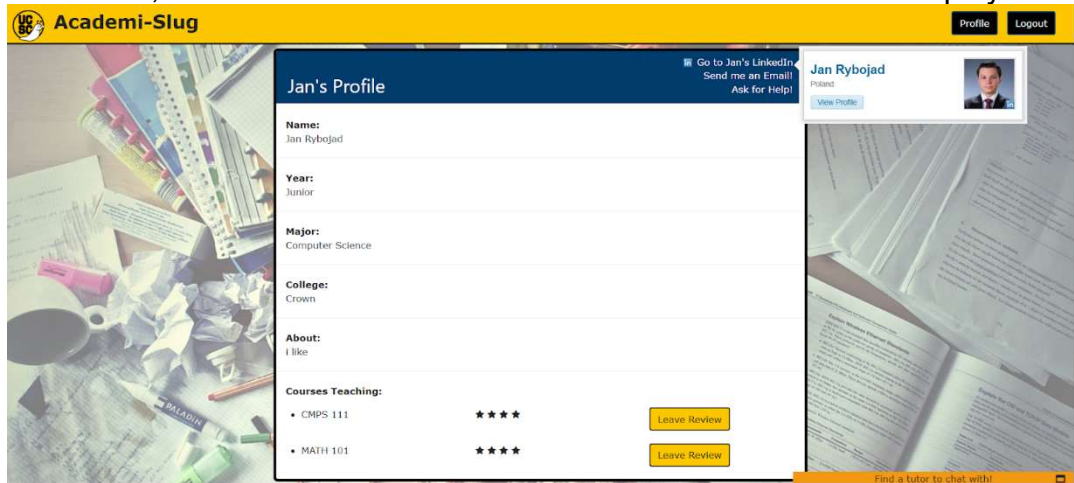

Piitteness: ★ ★ ★ ★ ★

Organizational Skills: ★ ★ ★ ★ ★

Submit Your Review

5. LinkedIn Profile Integration

- a) Copy the URL to your LinkedIn profile.
- b) If creating an account, paste your URL into the appropriate LinkedIn URL section.(see create account scenario above).
- c) Otherwise, add the LinkedIn URL to your profile by clicking on the “Profile” button on the top-right of the navigation bar to update your profile.
- d) When someone visits your profile page, hovering over the LinkedIn profile link will display a widget that will redirect to your LinkedIn profile. Otherwise, no link will be displayed.

6. Contacting Tutors

- a) Log in to your Academi-Slug account.
- b) Search for the course that you need help in (e.g. 'CMPS 115').
- c) Click on the name of the tutor you want to contact.
- d) On the right-hand side of the tutor's profile header, you can email the tutor by clicking 'Send me an email!'. This will redirect to the user's default mail client with the tutor's email and user's subject pre-filled.
- e) You may also want to choose to directly chat to the tutor by clicking the 'Ask for Help!' link. Note that real-time chatting will only work when the tutor is also online.

The screenshot displays the Academi-Slug website interface. At the top, a yellow header bar contains the 'UC BC' logo, the text 'Academi-Slug', and 'Profile' and 'Logout' buttons. The main content area features a background image of a desk with papers and a cup. On the left, a sidebar shows a list of courses: 'CMPS 115' with a 3-star rating (14 reviews) and 'CMPS 101' with a 3-star rating (4 reviews), each with a 'Leave Review' button. The central part of the page displays 'Charishma's Profile'. The profile header includes the name 'Charishma Thota' and links for 'Send me an Email!' and 'Ask For Help!'. Below the header, the profile details are listed: 'Name: Charishma Thota', 'Year: Junior', 'Major: Computer Science', 'College: College Nine', and 'About: I dont need help, but i know others do so dont worry i am here'. The 'Courses Teaching:' section lists 'CMPS 115' and 'CMPS 101' with their respective ratings and 'Leave Review' buttons. On the right side, a chat window titled 'Charishma Thota' is open, showing a message 'Hi!' and a response 'dobra dobra' in a text input field. The chat window also has a 'Type a message...' prompt at the bottom.
